EDVENTURE NAMED ONE OF THE TOP 10 CHILDREN'S MUSEUMS TO VISIT THIS SUMMER

COLUMBIA, SC— June 7, 2011—In a recent article on WomansDay.com, EdVenture is ranked as one of the “10 Best Children’s Museums to Visit This Summer.” The article highlights EdVenture’s newest exhibits, Run! Jump! Fly! Adventures in Action™, Kangaroo Crossing, Blooming Butterflies and the museum’s nine permanent exhibit galleries featuring more than 350 hands-on activities.

Additional children’s museums highlighted in the article are The Children’s Museum of Indianapolis, National Museum of Play in Rochester, Children’s Museum of Houston, Glazer Children’s Museum in Tampa, Children’s Discovery Museum of San Jose, Port Discovery Children’s Museum in Baltimore, Boston Children’s Museum, Children’s Museum of Phoenix and Children’s Museum of Denver.

The article written by Traci L. Suppa, freelance writer and travel blogger for “Go Big or Go Home,” visited EdVenture in February to document “EDDIE®, The World’s Largest Kid.”

“The 10 cities boast some of the best learning experiences in the country; plus, they’re loads of fun for little ones, said Suppa. These facilities are more than just indoor playgrounds—they’re hands-on and high-tech, introducing concepts of math, science, literature, history and geography in such an active, engaging way that the kids will never suspect that they’re expanding their minds.”
