

It's time to register for Camp EdVenture 2009!

Our summer camps are jam-packed with active, hands-on learning activities that are certain to inspire your child to imagine, discover and understand something new every day of the week!

REGISTER EARLY...SPACE IS LIMITED!

SUMMER 2009 Camp EdVenture

Inspire your child to get curious and discover a summer of fun by enrolling in Camp EdVenture, featuring 17 camps for children ages 3-12. NEW for 2009, campers can stay at EdVenture for a full day, spending mornings in their chosen theme camp and afternoons learning about EDDIE's life at EdVenture.

Who: Children ages 3 to 12 (preschoolers must be potty-trained)

When: Mondays-Fridays from 9am-4pm

- *Complimentary early drop-off at 8am
- *Morning half-day camp (9am-12pm) is available for all ages
- *3-4 year old camps are half-day only (9am-12pm)
- *Extended care is available from 4-6pm for \$30/week per child

Cost: \$230 for full-day camp (half-day option is \$130)

EdVenture members pay \$180/week for full-day or \$99 for half-day camp. Payment is due in full with completed registration.

Price includes a unique Camp EdVenture t-shirt!

Full day campers should bring a wholesome lunch and a drink each day. A healthy snack will be provided for campers.

SIGN UP TODAY!

EdVenture members receive priority enrollment from February 1 – March 31. Camp registration opens to the general public on April 1.

Visit our website at www.edventure.org for more information.

Camp EdVenture

How to Register
Mail or fax completed registration form(s) to the address or fax number below. You can also register online at www.edventure.org/camps.aspx. **Registrations will not be accepted by phone.** Members receive priority enrollment through March 31. Registration opens to the general public April 1. A registration form should be completed for each camper. Registrations are processed in the order they are received. Enrollment is limited to 25 campers per session.

Register by mail: Camp EdVenture, 211 Gervais St., Columbia, SC 29201

Register by fax: 803-779-3144, Attn: Camp

Registration forms can be downloaded at www.edventure.org or picked up at the museum.

Summer Camp Confirmation
You will receive an emailed confirmation unless a mailed confirmation is requested. Your confirmation email will include your confirmation number and information about camp. You must have a copy of this letter with you on the first day of camp.

Cancellation Policy
If you cancel your registration at least two weeks prior to the start of the summer camp, we will refund your tuition less a \$50 registration fee per class. If you cancel your registration with less than two weeks notice, no refund or credit will be given. EdVenture reserves the right to cancel or reschedule a class if minimum enrollment is not met. Tuition paid due to a cancellation will be refunded in full.

Contact
For questions, contact us at camp@edventure.org or 803-400-1151.

3-year-olds

EDDIE®'s World Jr. – Mornings only: June 8-12; August 3-7

Welcome to EDDIE's home, where there is something new and exciting to learn about in every room. Designed for younger preschoolers, each day of this camp focuses on a specific gallery or exhibit inside the museum. Campers will travel to West Africa, learn about life on a South Carolina farm, explore The Great Outdoors, and more.

4 & 5-year-olds

4 year-olds (Mornings Only) and 5 year-olds (Full-day or half-day option)

EDDIE®'s World Sr. – June 1-5; July 27-31; August 10-14

Spend a week exploring EDDIE's home, where there is something new and exciting to learn about in every room. Each day of this camp focuses on a specific gallery or exhibit inside the museum. Journey to West Africa, learn about life on a South Carolina farm, explore The Great Outdoors, and more.

Young Chefs – June 15-19; August 3-7

Peel, stir, bake, eat and read! Cook up tasty culinary treats, as well as some delightfully gross creations as you learn important math and science skills. Sample your work (yum!), and take home your very own self-designed cookbook to remind you how to make the same snacks in your own kitchen.

Science Sprouts – June 8-12; July 6-10

Want to have fun with hands-on science experiments each day? Investigate plants, explore motion, have fun with sand, the concept of sound and discover scientific concepts using your five senses to gather information. Be at the top of your science class in your school this fall!

Junior Firefighter – June 22-26; July 20-24

Learn about home and fire safety from a team of REAL firefighters. This interactive camp keeps you moving with lessons about smoke alarms, home escape plans, 911 and firefighters as community helpers. Dress like a firefighter; explore a real fire truck, and more!

6 & 7-year-olds

NEW! **Around the World in One Week Jr.**

June 1-5; July 6-10

Hola! Bon jour! Ciao! Want to experience a new culture every day? Sample tastes, sights, sounds and crafts from five different countries. It will be the quickest and most economical world tour you can imagine!

NEW! **Senior Firefighter** – July 13-17; July 27-31

Have you ever wondered what it's like to be a firefighter? Try out this camp, taught by REAL firefighters, and you will learn what it takes, including trying on authentic gear, visiting a real fire station and learning about home and fire safety.

Kitchen Science – June 15-19; July 20-24

Everyone can do a little science in their kitchen! Explore this fun learning laboratory and find out more about the chemistry of foods and cooking. Create your own chef's apron, and join us as we make exploding soda fountains, have a putty party, and create invisible ink.

Abracadabra Apprentice – June 8-12; June 22-26

Professional magician Brandon Wagster will take you on a magical adventure as he teaches you the tricks of the trade. Explore the secrets behind the magic as you prepare your own illusions for a magic show performance at the end of the week.

8 & 9-year-olds

NEW! **Abracadabra Master** – July 13-17

Make a coin appear out of thin air! Professional magician Brandon Wagster teaches this advanced magic camp that promises to show you even more complex tricks that only the most experienced illusionists can create. This camp finishes with a magic show performance designed to dazzle your family and friends.

NEW! **Around the World in One Week Senior** – July 20-24

Grab your passport, and join us for an around the world adventure. Learn about five unique countries and explore their culture, food, languages and native crafts.

Edible EdVentures – June 15-19; June 29-July 3

How can you learn about science while stuffing your stomach? Join us for this food-filled adventure as we design parts of a cell using edible snacks, take a bite out of the moon as we learn the phases of the moon and create the rock cycle using chocolate and marshmallows.

Wilderness Explorers – June 8-12; August 3-7

Put up your tent, and join us for a wilderness adventure. Learn how to make your own granola snacks, and you'll never go hungry. Learn how to read a compass, and you'll never get lost. Find your way through the great outdoors, and end your week on a real nature hike

10-12 year-olds

NEW! **Spa Science (Girls Only)** – June 15-19; July 13-17

A facial from your kitchen, peppermint bath salts and make your own nail polish? Not only will we help you create your own homemade beauty products that help you look good on the outside first, but learn everyone's beautiful on the inside.

NEW! **Team UP!** – June 29 - July 3; August 3-7

Block that shot! Catch that pass! Join us for this activity-filled camp based on our summer sports exhibit, "Team UP!". How does sports equipment improve performance and protect players? Learn about different sports, and participate in friendly competitions. Be a team player!

CSI 101 – August 10-14

Love a good mystery? Learn what investigators do to piece together clues at a crime scene. Explore the science used to solve real-life mysteries, including fingerprinting, DNA typing, handwriting analysis and criminal investigation techniques. Help us solve the mystery and close the case!

Environmental Investigators – June 22-26; July 27-31

Are you an earth-friendly kid? Reduce, reuse and recycle! Learn conservation techniques to protect your natural world. Become more environmentally aware as you participate in activities that show you how to make a difference at home, at school and in your community.
