

Eddie's Coding Challenge

Can you help Eddie get through the Maze?

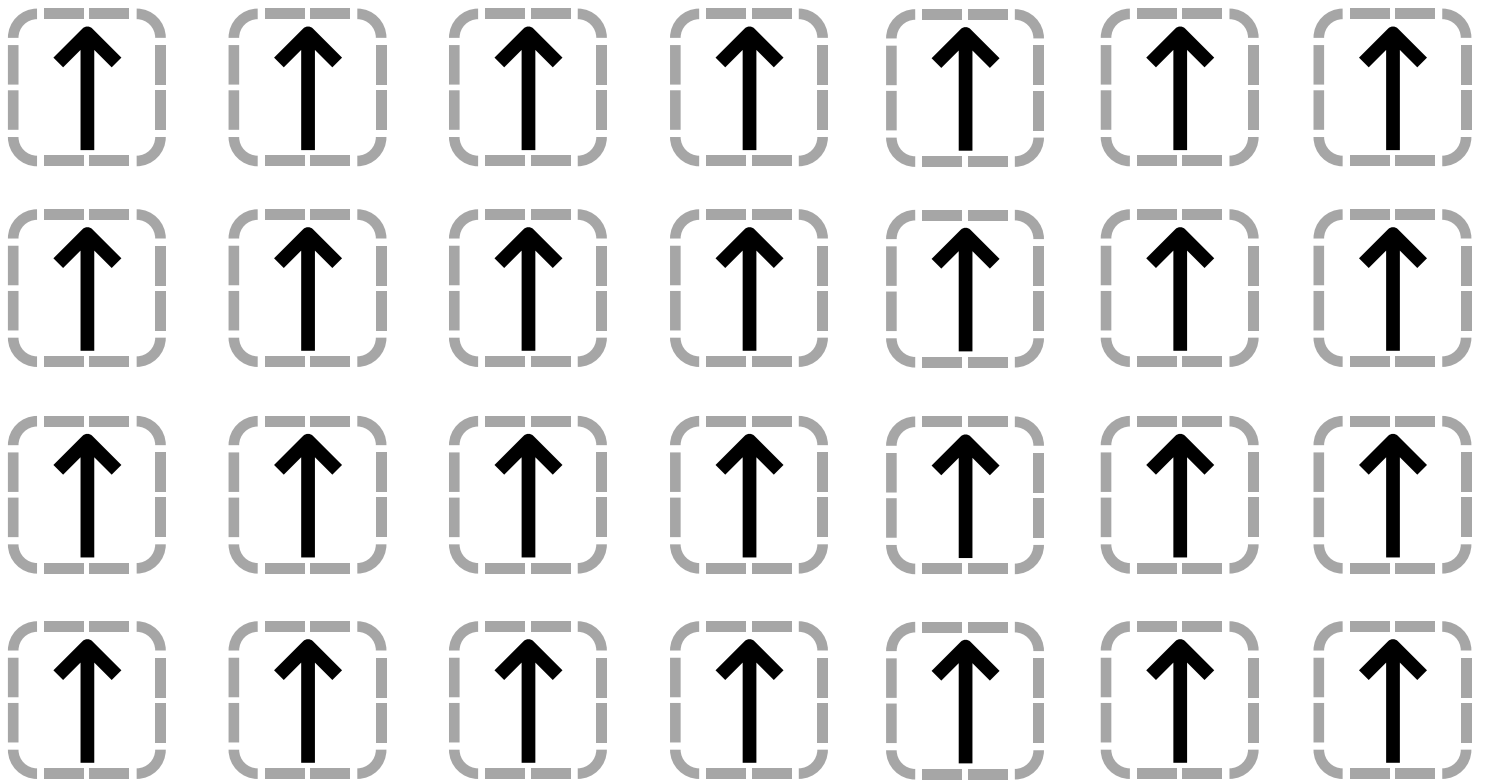

Use your knowledge of coding and directions to give Eddie good instructions (code) to get from the START all the way to the END. Make sure to visit ALL the fun places in the museum! Use the arrows on the next page to cut out as your directions. Only 1 arrow can be placed on a box. A forward arrow will always send Eddie in the direction he is facing. the turn arrows can be rotated in any direction. Good Luck Coding!
